OUR MISSION

Our mission is to hold the left - Democrats and Republicans alike - accountable to the core principles that have kept all Western civilizations strong, moral, prosperous, and free.

The Republican Party's long history against both slavery and Communism shows it is the only effective means to restore and maintain our Republic.

WHY IT MATTERS

The Republican Assemblies are "*The Republican Wing of the Republican Party*" for good reason.

The Republican Assembly is the only organization in Massachusetts that has been proven effective in shifting the party back to Republican values.

By standing firm on principle and working tirelessly behind the scenes, the Republican Assembly has built a movement where Republicans can stand as proudly pro-life, proudly pro-marriage, and fully committed to Constitutional principles, even in "Bluest State" Massachusetts.

The next step is to come together and remove Democrats from power. The left is currently animated by a love of Socialism and infanticide that shocks the soul. Here, we can break their stranglehold and return Massachusetts to its roots in liberty.

WHY YOU SHOULD JOIN

A lot of activists can talk the talk.

Only the Assembly can **Walk the Walk.**

We build solid activists with strong campaign skills. We build and train the next generation of seasoned candidates with conservative convictions for local, state legislative, and statewide seats.

Ronald Reagan called the Republican Assemblies "The Conscience of the Republican Party."

In Massachusetts we have a ray of hope.

Join us in being a guiding light!
