OUR MISSION

Our mission is to adhere to the core principles that have kept all Western civilizations strong, moral, prosperous, and free.

The Republican Party's long history against both Slavery and Communism shows it is the only effective means to restore and maintain our Republic.

WHY IT MATTERS

The Republican Assemblies are “*The Conservative Wing of the Republican Party*” for good reason.

The Republican Assembly is a proven, effective organization in Massachusetts that holds true to traditional, core Republican principles.

By standing firm on principle and working tirelessly behind the scenes, the Republican Assembly has built a movement where Republicans can stand as proudly pro-life, proudly pro-traditional marriage, and fully committed to Constitutional principles, even in “*blue*” Massachusetts.

The next step is to come together and remove Democrats from power. The left is currently enamored by Socialism and Infanticide that shocks the soul. Here, we can break their stranglehold and return Massachusetts to its roots in liberty.

WHY YOU SHOULD JOIN

A lot of activists can talk the walk.

The Assembly can **walk the talk**.

We seek solid activists with competent campaign skills. We will endorse and support the next generation of seasoned candidates with Conservative convictions for local, state legislative, and statewide seats.

Ronald Reagan called the Republican Assemblies “*The Conscience of the Republican Party.*”

In Massachusetts, we are a ray of hope.

Join us in being a guiding light!
